

160A-215. Uniform provisions for room occupancy taxes.

- (a) Scope. – This section applies only to municipalities the General Assembly has authorized to levy room occupancy taxes. For the purpose of this section, the term "city" means a municipality.
- (b) Levy. – A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.
- (c) Collection. – Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. If a taxable accommodation is furnished as part of a package, the bundled transaction provisions in G.S. 105-164.4D apply in determining the sales price of the taxable accommodation. If those provisions do not address the type of package offered, the operator may determine an allocated price for each item in the package based on a reasonable allocation of revenue that is supported by the operator's business records kept in the ordinary course of business and collect tax on the allocated price of the taxable accommodation.

The tax shall be stated and charged separately from the sales records and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing city. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business.

The taxing city shall design, print, and furnish to all appropriate businesses and persons in the city the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing city a discount equal to the discount the State allows the operator for State sales and use tax.

- (d) Administration. – The taxing city shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the city finance officer in monthly installments on or before the 20th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 20th day of each month, prepare and render a return on a form prescribed by the taxing city. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the city finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

- (e) Penalties. – A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing city has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

- (f) Repeal or Reduction. – A room occupancy tax levied by a city may be repealed or reduced by a resolution adopted by the governing body of the city. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction.

(f1) Use. – The proceeds of a room occupancy tax shall not be used for development or construction of a hotel or another transient lodging facility.

§ 160A-215.1. Gross receipts tax on short-term leases or rentals.

(a) As a substitute for and in replacement of the ad valorem tax, which is excluded by G.S. 105-275(42), a city may levy a gross receipts tax on the gross receipts from the short-term lease or rental of vehicles at retail to the general public. The tax rate shall not exceed one and one-half percent (1.5%) of the gross receipts from such short-term leases or rentals. This tax on gross receipts is in addition to the privilege taxes authorized by G.S. 160A-211.

(b) If a city enacts the substitute and replacement gross receipts tax pursuant to this section, any entity required to collect the tax shall include a provision in each retail short-term lease or rental agreement noting that the percentage amount enacted by the city of the total lease or rental price, excluding highway use tax, is being charged as a tax on gross receipts. For purposes of this section, the transaction giving rise to the tax shall be deemed to have occurred at the location of the entity from which the customer takes delivery of the vehicle. The tax shall be collected at the time of lease or rental and placed in a segregated account until remitted to the city.

(c) The collection and use of taxes under this section are not subject to highway use tax and are not included in the gross receipts of the entity. The proceeds collected under this section belong to the city and are not subject to creditor liens against the entity.

(d) A tax levied under this section shall be collected by the city but otherwise administered in the same manner as the tax levied under G.S. 105-164.4(a)(2).

(e) The following definitions apply in this section:

(1) Short-term lease or rental. – Defined in G.S. 105-187.1.

(2) Vehicle. – Any of the following:

a. A motor vehicle of the passenger type, including a passenger van, minivan, or sport utility vehicle.

- b. A motor vehicle of the cargo type, including cargo van, pickup truck, or truck with a gross vehicle weight rating of 26,000 pounds or less used predominantly in the transportation of property for other than commercial freight and that does not require the operator to possess a commercial drivers license.
- c. A trailer or semitrailer with a gross vehicle weight of 6,000 pounds or less.
- (f) The penalties and remedies that apply to local sales and use taxes levied under Subchapter VIII of Chapter 105 of the General Statutes apply to a tax levied under this section. The governing body of the city may exercise any power the Secretary of Revenue may exercise in collecting local sales and use taxes. (2000-2, s. 3; 2000-140, s. 75(c); 2001-414, s. 51.)
